VOL. 1

January 2022

Memory verse: Thy word is a lamp unto my feet and a light unto my path. Psalms 119:105

Bible character: Jesus

2-3 CLASS

The expected learning outcome for the month of January was for children to understand how God's word is a 'lamp' and a 'light' to their feet and path. For better understanding a role-play of driving at night with Daddy and Mummy coming back from visiting a friend was included in the lesson for better understanding. Children are expected to understand the power of faith as they grow up via roleplays, songs and memory verses.

February 2022

Memory verse: Faith comes by hearing the word of God – Romans 10:17

Bible character: Blind Bartimaeus

The expected learning outcome is that the children understand what faith is, the focus remains believing what God says in the bible. To also help the children understand better, there was a role-play/discussion of what is expected during birthdays – the celebrants expect a birthday gift and the children attending the birthday party expects a party pack.(Faith in Action).

VOL. 1

4-5 CLASS

In the month of January 4-5 class explored the more than conqueror theme. Our song for that month was undefeated champion, we used this to declare our champion status

Our topic for the month focused on how to find God's plan for us in his book. We used building blocks and puzzles to illustrate why following God's plan for our lives was better than following our own way.

In the month of February, the children learnt about heroes of faith using Joshua and the three Hebrew boys as examples. Joshua had great faith in God. He trusted, obeyed God's instructions and the thick walls of Jericho came down flat. They overcame Jericho without any casualties. The boys did not bow to the King and God was with them in the fiery furnace. Children who can recite the memory verse are given certificates on the first Sunday of the month.

We encouraged the children to read scriptures with their parents and learn the memory verse for the month. Children who can recite the memory verse are given certificates on the first Sunday of the month.

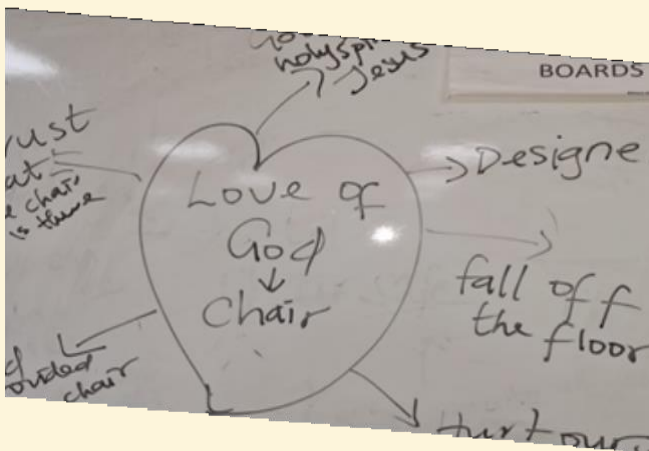

6-7 CLASS

Since the beginning of the year (2022), we have been exploring ways of becoming more than conquerors indeed. We are using craft making, drawing, and painting, reading, storytelling, crosswords, mind map, quiz, scripture search and other activities to discover who a conqueror is, what spiritual weapons and virtues we should have as more than conquerors, what makes the giants of faith special and what makes us special

You are welcome to take a look at the awesome work of the children displayed on our class walls. The Children discovered that God's word holds the treasure of God's plans for each of us, hence every child in 6 to 7 is learning the 66 books of the bible and where they are located. We are issuing certificates to the star scripture searchers and other achievers. Our variety Sundays are loaded, and we are now showcasing our individual talents in class.

8-9 CLASS

In 8-9 class this year January, we have manifested our more than conqueror name by exploring God's plan for our lives. We affirmed the month's learning by rehearsing and performing the song 'God has a plan' to testify our faith in his guidance for our lives.

is to declare our champion status

Lastly, we continue to develop our knowledge of the Word through learning the order of the books of the bible; we have learnt the first 30 books through our weekly homework tasks.

In February our children learnt about heroes of faith using Moses as an example. How he trusted and obeyed God fully which enabled him to lead the children of Israel out of Egypt.

We have used this opportunity to look at the story of Moses, his birth, how God called him, the 10 plagues, parting of the Red Sea and the 10 commandments using the Word and videos to make it easier and interesting for the children. Our song for the month is about trusting God and his promises.

10-12 CLASS

According to the theme of last month Faith Secures Fulfilment of Prophecies. Our 10-12 Class learnt about FAITH. What faith is and the importance of faith in our daily walk with God according to the book of Hebrew 11:1-6

Biblical examples of people who walked in faith with God and received their miraculous healing, i. e the lame man at the gate called beautiful, Father Abraham who had faith in God and ended up being a Father of many nations.

The children are also taught ways they can build their faith, i. e reading and studying the word of God daily, listening to testimonies, saying what the word says, keeping the word close to their heart, meditating on the word, minding the companies they keep and engaging in kingdom advancement prayers.

Finally, the children are encouraged to memorise Faith scriptures such as Rom10:17 b- The just shall live by faith. Roman10:17 Faith comes by hearing and by hearing the word of God.

TRANSITIONING CHILDREN TO TEENS CHURCH

WINNERS KIDZ OFFICIAL NEWSLETTER

MAKING THE MOST OF TRANSITIONING

Graduating children up to the teen's ministry of the church is always a bittersweet experience, which includes moving children along their set spiritual path.

As teachers, we are aware that children often feel a bit unsettled about “moving up.” Transitioning children may experience fear and uncertainty.

Obviously, some things will change, like how they worship, how they express their faith, and how they fit in. As such, we are currently working closely with the children to achieve a smooth transition.

HOW DO WE DO THIS?

Help with eliminating any anxious feelings

Assure them of a age appropriate experience in the Teens Church.

Answer any questions they may have.

Support them until they are settled.

WINNERS KIDZ OFFICIAL NEWSLETTER

Who are we and what do we do you may ask?

Well, in a nutshell, we paint the scriptures into pictures. We employ all forms of creative and fun platforms at our disposal such as drama, dance, music, mime, poetry, and more to help our children learn and understand the Word of God. We desire to bring out the best in the lives of our children to fulfill their God-ordained purposes.

Our main goal is to make the Word of God come alive in the hearts of our children and make it relatable in their everyday lives. We also want to make coming to and being in church fun and exciting. Not just attending service and going home.

TESTIMONY CORNER

Against all odds

MS A (2-3 CLASS)

Against all odds, God proved himself as Almighty in our lives. We joined this great commission in 2013 and began following all the instructions from the Altar, including joining service units and partaking in various Kingdom Advancement endeavors.

My husband served in the IT and Production Unit whilst I served in the Children's Church and Prayer Squad with joy, trusting God that one day our children will be part of the Winners Kids Church, we gave offerings and tithes on behalf of our Children and held on to God's word and every Prophetic declaration from God's servants.

We also held on to testimonies shared relating to our desire to become joyful parents and took steps of Faith, our faithful God showed up for us in 2021 our year of supernatural turnaround when I was confirmed pregnant and in February 2022, I gave birth to our miracle Baby Boy , Zachary Boluwatito Oluwasogofunmi Olowu in our year of more than a conqueror after 22 years of marriage and at my young age of 54!

Indeed, we serve a Great and Mighty God who is a rewarder of those that diligently seek Him. We return ALL the glory to God who broke the backbone of barrenness in our lives and has made us Joyful Parents.

TESTIMONY CORNER

Many Doors Opened

MS Z (10-12)

In August 2021, I was invited to apply to be a contestant on Jamie Oliver's new tv show: The Great Cookbook Challenge with Jamie Oliver, which is currently airing on Mondays at 8:00 pm on Channel 4.

Close to 1,000 people applied but only 18 were selected for the show, and by God's grace, I was one of them. To God alone be the glory, I have now made it through to the semi-finals of the competition, which airs Monday 7 March. I can only boast of God's goodness and faithfulness.

Truly, God is able, and does, immeasurably more than we can ask, think or imagine. This opportunity has opened and is continuing to open, many doors for me and my business. Thank you, Jesus!

TESTIMONY CORNER
