## TESTIMONIES

YOU CAN READ ANY OF THE TESTIMONIES BELOW.  
MEMBERS SHOULD BE ENCOURAGED TO SHARE THEIR TESTIMONY.

### 1. Divine Restoration and Promotion via Soul-Winning!

"in June, I was sacked from my place of work unjustly. In October, I began to engage in outreach vigorously, not minding my predicament. During one of the services, Bishop Oyedepo declared another soul winning Operation, I engaged in it forcefully, bringing people to Church and ensuring they are established!

That same month, God spoke to our international client to start paying my salary in dollars, while I was no longer working in the company. On Tuesday, I was still in the field trying to witness to someone, when I received a call that I had been restored to my place of work. Meanwhile, the Bishop declared earlier that someone would be recalled back to his place of work in a royal manner! Indeed, I was restored as a senior manager in my place of work!" ---James. S.

### 2. Delivered from Cultism!

'I have never been to a church since I was born. However, I met Bishop David Oyedepo in one of his repeated outreaches in my area. So, I decided to join this Commission. Meanwhile, I have a wicked stepmother who killed my mother and made my father an imbecile so she would be in control of our family resources. She attacked me and made things unbearable for us. It was in the course of finding solution to the situation that I joined a cult group, where I was involved in all manner of demonic activities. Instead of finding rest and solution to my problems, I was sent to kill people and I engaged in all forms of social vices. I had no place to stay and sometimes, I could not feed myself. But the day I met with the Bishop, I was desperate for a change of story. Now, I am delivered from cultism, sicknesses and oppressions. Also, I engage in kingdom advancement endeavours and won souls to Christ. Before now, I was forced to be wicked to people but now, I am a new man with the heart of love for humanity. I give God all the glory!' --Samson Mbas Sunday
